¹This EU Declaration of Conformity is covering only the scanner and scnner with scale **without a pre-defined gravity zone**, and for the Scale apparatus is only valid with a Certificate of Conformity issued by a Notified Body under Module F of the directive 2014/31/EU.

The connection of this apparatus to Point of Sale (POS) system is subject to legal W&M requirements, required additional verification & tests where the system will be used. These tests can be done only by an approved organization where the instrument is installed.

The manufacturer of the POS and the owner of the complete scale/POS system must ensure there is a declaration of conformity for the complete system, otherwise the scale/POS system must not be placed on the market. Any modification to the system which affects metrological parameters must be covered by a new declaration of conformity and is not the responsibility of Datalogic USA, Inc..
